

Carlson[®] for Kids

**Because
Your Children
Deserve
The Best.**

Carlson[®] for Kids

It's not a secret, we're proud of our children. That's why we developed our **Carlson for Kids** product line, to ensure that they receive the very best nutritional supplements.

All Carlson for Kids products have been carefully formulated with a child's nutritional needs in mind. Only the finest ingredients are used and no artificial colors or flavors are added.

After all, our children deserve the very best.

Carlson for Kids

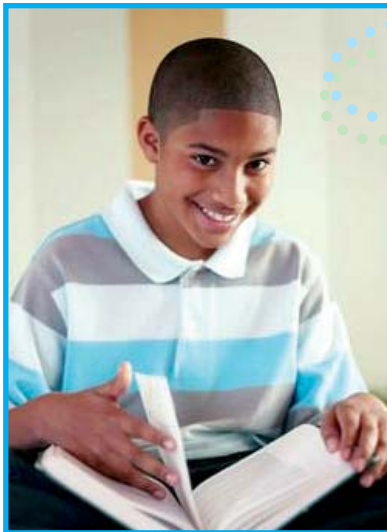

Tasty, Chewable VITAMINS and MINERALS

• taken daily, help to ensure your growing children receive the nutritional support they may need to maintain healthy immune function and promote normal growth and development.

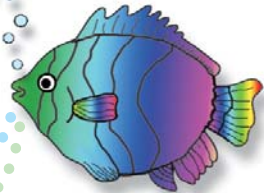

Carlson for Kids

FISH OILS

• enable parents to easily provide the important omega-3 fatty acids known to promote healthy brain development and support normal vision. Medical studies have shown that the omega-3 fatty acid called DHA is an essential structural component of a healthy nervous system.

The Very Finest FISH OIL Liquid

Bottled in **Norway**
for Maximum Freshness

The Very Finest Fish Oil comes from cold-water fish found in deep Norwegian waters. It is processed and bottled in Norway to insure maximum freshness. To retain the freshness of the oil, the air inside the bottle is replaced with nitrogen and natural-source vitamin E is added.

Great
Lemon
Flavor!

Each 1/2 Teaspoonful (2.5 ml) Provides:

Total Omega-3 Fatty Acids	800 mg
Including:

Carlson Fish Oils also taste great
when added to Popcorn,
Salads, Smoothies, and more!

COD LIVER OIL

Liquid

Bottled in **Norway**
for Maximum Freshness

Carlson Cod Liver Oil comes from the livers of fresh cod fish found in the North Atlantic waters near Norway. The oil is separated from the liver tissues without the use of chemicals. To retain the freshness of the oil, the air inside the bottle is replaced with nitrogen and natural-source vitamin E is added.

**Great
Lemon
Flavor!**
